Hi, this is (name), and I live in (town name). I am calling in regards to the proposed Article 46 tax that I read about in the Chatham News + Record. It's my understanding that in order for this tax to be incurred, it is recommended that the county pass a resolution to define how those funds would be used. I'm calling to request that you consider designating at least some of the proposed funding to create a dedicated funding source for affordable housing. I am deeply concerned by the lack of affordable housing in our community, and establishing a dedicated funding source would be a meaningful way to support creative solutions. Again, my name is (name) and I live at (address). You can reach me at (phone number).
