Each year, Chatham Habitat for Humanity's Women Build brings together dozens of women from across Chatham County. These women devote a day to helping eliminate substandard housing and use the skills they learned to build safe, decent, affordable homes in Chatham County and nationwide. Last year, we had 90 participants from all over the area.

This year, we once again have the unique opportunity to partner with local businesses and organizations – ones that understand the importance of both affordable housing and making space for women to be involved with the process.

Our 2020 Women Build will take place from April 30-May 2 in Siler City. You can support this event in a few different ways:

- Sponsorship – The form on the next page will walk you through three levels of sponsorship, ones that will also showcase your group.
- Volunteering – Bring your employees or members to the event! Registration will open in February at chathamhabitat.org/women-build.
- In-Kind Donation – Have tools, snacks, or take-home gifts to make our Women Build special? Let us know!

We hope that you will consider joining us for this special event, and we appreciate all you do to support and empower women in the community.

Sincerely,

Rachel Horowitz

Volunteer Program Manager
